## **Be breast aware.**

October is Breast Cancer Awareness Month and at EMCOR, a company known for safely constructing and maintaining buildings, we're proudly showing our support. You'll see our pink hard hats at EMCOR sites throughout the month. Breast Cancer Awareness has always been close to our hearts. This month we're bringing it closer to our heads. Protect yourself, be breast aware.

*Visit [breastcancercare.org.uk](http://breastcancercare.org.uk) to learn more about breast awareness.*
